INTRODUCTION

The purpose of this handbook is to provide students and parents/guardians with general information about the WPS pupil transportation system. Public Act 187 of the Michigan Motor Vehicle Code outlines the pupil transportation laws that all school districts must follow. A copy of Public Act 187 is available for review during regular office hours in the Transportation Department. Selected Wyoming Public School transportation policies, regulations and safety rules are included in this handbook.

At WPS we strive for excellence in transportation services to you, our customers.

***Law does not require transportation of regular education students to and from school.
Please take time to read the following pages and review them with your children in
order to protect your transportation privileges.***

It is the mutual responsibility of the parent/guardian and school district personnel to make a reasonable effort to understand and cooperate with each other regarding safe and orderly pupil transportation.

School bus transportation is provided only for eligible students and shall be considered a **PRIVILEGE** to be enjoyed only as long as the students accept responsibility for their own personal conduct and carefully follow all rules and regulations.

***Thank you for your support and cooperation.
Together we will have a great school year.***

BUS ROUTES AND BUS STOPS

Safety is the most important factor in transporting WPS students. The following information is offered to help make pupil transportation safe and successful.

1. Bus stops and routes are established on the basis of safety, efficiency, the age of students, and in accordance with the State laws, recommendations, and School Board policy. Bus stop locations must avoid as much traffic as possible. Stops shall not be on a hill or before or after a curve. Buses shall be visible in both directions when stopped.
2. It is each parent's responsibility to get her/his student to and from the school bus stop safely.
3. Bus stops shall not be located on cul-de-sac streets. The Michigan Department of Education recommends that backing of a school bus shall be avoided whenever possible.
4. Students should arrive at the bus stop and be lined up ready to be loaded on the bus **five** minutes prior to the scheduled arrival of the bus. This will allow time to catch the bus but not enough time for problems among students to arise. Bus departure times are subject to change.
PARENTS/GUARDIANS ARE RESPONSIBLE FOR THEIR STUDENTS UNTIL THE BUS ARRIVES.
5. By state law, students **SHALL** cross in front of the school bus. They will receive instruction on proper crossing procedures from bus drivers. **PARENTS/GUARDIANS WHO MEET STUDENTS AT THE STOP SHOULD SET THE EXAMPLE AND ALSO FOLLOW THIS IMPORTANT SAFETY RULE.**

Please note: **Due to circumstances that may or may not be under the control of the school district:**

- The district reserves the right to change stops and routes when necessary:
- Walking distances and bus routes may be adjusted temporarily if necessary by reason of unsafe or impassable roads.
- If your child is more than 15 minutes late for their scheduled drop-off time after school, please feel free to call the transportation department at 530-7545. Because we may be addressing the problem at hand, please understand that your call may go to voice mail but we will return your call.

TRANSPORTATION ELIGIBILITY REQUIREMENTS

Walk and Ride Policy

Students may find it necessary to walk some distance to their designated bus stops or to school. In compliance with state laws, Wyoming Public Schools walk/ride policy is:

- Elementary school students, grades K-4, may be expected to walk up to 1/2 miles to school or up to 1/2 mile to a bus stop.
- Intermediate School grades 5, 6 may be expected to walk up to 3/4 miles to school or up to 3/4 mile to a bus stop.
- Middle, and Senior High school students, grades 7-12, may be expected to walk up to 1 mile to school or up to 1 mile to a bus stop.

Upon request by a parent/guardian, the district may approve transportation for an individual student regardless of residential distance from the school if a travel route is judged to be hazardous as deemed by the district or if other extenuating circumstances exist.

NOTE: Once a student boards a bus, they must remain on that bus until they reach their final destination.

Child Care Arrangements

It is not possible to provide transportation to childcare facilities located outside of the district boundaries. Because routes are established based upon residence and/or childcare, changes of pick-up or drop-off during the year are difficult to accommodate. Requests for change must be made in writing, a minimum of **three (3) days** in advance.

SCHOOL OF CHOICE TRANSPORTATION

School Of Choice

School of Choice Students who are eligible for School of Choice transportation under all of the conditions specified below. Parents/students electing to attend a School of Choice who do not meet all of the conditions specified below shall be responsible for their own transportation to and from the school of choice.

School of Choice transportation is defined as a student getting to an existing bus stop on an existing bus route on which a district bus, with room for the student, is already scheduled to go to a designated school(s). Students attending a School of Choice may be transported by the bus upon the completion of the District's School of Choice transportation request form annually, as tag-along transportation, under the following conditions:

- a. The School of Choice student can get to an existing bus stop by the established pick up time for a bus already going to that School of Choice;
- b. This School of Choice transportation would not cause a student overload on the bus or otherwise results in any additional cost to the District;
- c. This School of Choice transportation is merely a courtesy based upon the fact that the foregoing conditions exist. If any of these conditions change, tag-along transportation shall automatically terminate. The District will attempt to provide two (2) weeks notice to parents prior to such termination when possible;
- d. The District's School of Choice transportation request form shall state that School of Choice transportation is merely a courtesy and a privilege, subject to termination if any of the above conditions change.

SPECIAL HEALTH ISSUES

Parents/guardians of students with unique health issues that could become safety issues on the bus are encouraged to ask their bus driver for a "Confidential Special Needs" form. Completion of this form will allow you to provide us with the information necessary to take appropriate care of students riding our buses.

Out of consideration of those passengers and employees with medical conditions, passengers should refrain from using any aerosol spray, cologne, perfume or other items with strong odors while on the bus. Please be aware of, and respect, the medical issues and needs of others.

PROCEDURES FOR CHANGING BUSES

At Wyoming Public Schools we are responsible for the safe and orderly transportation of your children. The bus stop may or may not be located at the home address. However, students will be assigned within the prescribed walking distance.

Permanent changes to the scheduled transportation for a student may be made upon request from the parent/guardian. Direct your changes to your child's school office and the transportation office

Temporary Changes to the scheduled transportation for a student may be made upon request under special circumstances. Students in grade 5-12 are not allowed to ride the K-4 bus unless they have 48 hours prior notice and are staying after for academic purposes. No student is allowed to ride another bus unless it is for daycare or emergency purposes.

Call the Transportation Department in advance to verify seating availability. Bus capacity and assignment may limit changes. Parent cooperation is required to make sure students ride the buses to which they are assigned. This ensures that the school will know who is actually on a bus, that a student can be located in an emergency, that overcrowding is controlled and other potential problems can be prevented. In the rare event that a bus has more students than available seating, students may temporarily be moved to an alternate bus without advance notice.

Thank you in advance for your support and cooperation.

STUDENT CROSSING PROCEDURE

Please review these important safety procedures with all of your children. Parents who escort their children to and from the bus when crossing must set the example for their children and also adhere to these important safety procedures. Everyone needs to know that not all cars stop as required by state law, even when the red lights are flashing on school buses.

When crossing the street to board the bus:

1. Students wait in a group at the designated bus stop at least 10 feet away from the edge of the roadway and look to the bus driver for the signal to cross.
2. Bus drivers will display a sign to indicate when it is safe to cross the street. If it is dark, drivers may turn on an inside light to be seen easier.
3. Students proceed directly across the road always staying well in front of the bus and board the bus.
4. Do not stop in the middle of the street or cross behind the bus.

When crossing the street after leaving the bus:

1. Students will exit the bus and take 10 steps straight out from the side.
2. Students stand in a group and look to the bus driver for the signal to cross.
3. Bus drivers will display a sign to indicate when it is safe to cross the street. If it is dark, drivers may turn on an inside light to be seen easier. **Red means "STOP" DO NOT CROSS STREET and Green means "GO" IT IS SAFE TO CROSS THE STREET**
4. Students proceed to a point even with the left side of the bus and stop.

Zone is the 10-foot area around the bus. The bus driver can't see you when you are in the Danger Zone. If the bus starts moving while you are in the Danger Zone, you could get dragged under the bus.

INCLEMENT WEATHER

School Cancellation

While every effort is made to inform parents/guardians of a sudden unscheduled need to close the schools, there is no way to assure that every parent will receive information in a timely manner to respond in their student's best interest. School personnel make every effort to avoid sending students home outside the normal schedule.

During periods of inclement weather, parents/guardians and students are advised to monitor local radio and television stations for changes in school schedules. The media are contacted as soon as a decision is made to vary from the regular school schedule in order to notify parents/guardians as quickly as possible. If the weather looks threatening, parents/guardians are encouraged to stay tuned to the local news media for updates.

Family Emergency Plans

Students and parents/guardians should develop family emergency plans. In the event of an early dismissal or other unscheduled event, Kindergarten and Young 5 students may be riding on regular bus routes to regular bus stops and will arrive at a different time than normal. Does your child have a house key or know where to find one? Does your child have a neighbor to go to in case no one is at home? Have you discussed several possibilities so your child knows what to do? Do a drill or at least a periodic verbal check to be sure your student knows what steps to take. Keep the plan updated as personal circumstances change.

Severe Weather Procedures

When tornado watches or warnings are issued by the U.S. Weather Bureau, Wyoming Public Schools students will be retained in school until dismissal time or until such time that, in the judgment of the Superintendent or designee, they may be safely dismissed.

1. If a tornado watch is announced during the day, students will be dismissed at the regular time.
2. If a tornado warning is in effect, students will not be dismissed and will be moved to designated areas within each school.
3. Extra-Curricular Activities: When adverse weather conditions close school or a tornado warning or watch is in effect, after school, evening educational or athletic events are permitted only when a building administrator is on site to monitor the situation and when authorized by the Superintendent or designee. If no building administrator is on site, the extra-curricular activity will be stopped and any Wyoming Public School employee has responsibility for dismissing the activity. This will normally be the adult in charge of the activity. The employee will make a responsible and reasonable effort to move visitors within buildings to an appropriate designated shelter. Any adult visitor or student accompanied by an adult that decides to leave during this situation will be allowed to leave the building at their own risk.

BUS CONDUCT REPORTING PROCESS

All students need to attend school regularly to receive the best possible education. Riding the school bus is a privilege, and suspension of riding privileges does not mean a suspension from school. Parents/guardians are responsible for transportation to and from school.

Please help us provide safe transportation for all students by discussing appropriate bus behavior with your child and stress the importance of good conduct while on the school bus. Parents/guardians will be notified of inappropriate behavior on the school bus. To assist the bus driver, a video camera may be used to monitor student behavior while riding on Wyoming Public School buses.

Bus discipline is progressive and cumulative and will normally start at “*Step 1*” listed below. Any infraction can be processed immediately at “*Step 5*” when approved by an administrator. Immediate suspension will occur for any infraction involving fighting or possession of illegal drugs, alcohol, weapons or contraband. The school district reserves the right to implement alternative discipline options based on individual circumstances. Every attempt will be made to verbally notify parents/guardians prior to suspension of riding privileges. In cases involving vandalism to school buses, restitution for damages will be required prior to students regaining their bus riding privileges.

Step 1- Verbal warning

Step 2- Parent contact
