Introduction

The SIP is a planning tool designed to address student achievement and system needs identified through the school's comprehensive needs assessment (CNA). Additionally, the SIP provides a method for schools to address the school improvement planning requirements of Public Act 25 of the Revised School Code and the Elementary and Secondary Education Act (ESEA) as applicable.

Improvement Plan Assurance

Introduction

During the 2016-2017 school year, schools will have two options for Goals and Plans. 1. Update Goals and Plans, if necessary, based on analysis of data and Program Evaluation; 2. Complete and upload the Abbreviated Goals and Plans template into ASSIST, based on analysis of data and Program Evaluation.

1	All students at WRC will become proficient readers.	Objectives: 1 Strategies: 1 Activities: 5	Academic	\$0
2	All students at WRC will become proficient in mathematics.	Objectives: 1 Strategies: 1 Activities: 2	Academic	\$0
3	All students at WRC will become proficient in reading comprehension & vocabulary in science content.	Objectives: 1 Strategies: 1 Activities: 3	Academic	\$0
4	All students at WRC will become proficient in reading comprehension & vocabulary in social studies content.	Objectives: 1 Strategies: 1 Activities: 3	Academic	\$0
5	All students at WRC will act in a safe, respectful, and responsible manner.	Objectives: 1 Strategies: 1 Activities: 4	Organizational	\$0
6	All students at WRC will make adequate yearly progress on IEP goals.	Objectives: 1 Strategies: 1 Activities: 2	Academic	\$0
7	Wyoming Regional Center will decrease the number of chronically absent students. (more than 18 absences per year)	Objectives: 1 Strategies: 1 Activities: 1	Organizational	\$1

Goal 1: All students at WRC will become proficient readers.

Measurable Objective 1:

50% of Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth grade Black or African-American, Asian, Bottom 25%, Bottom 30%, White, Economically Disadvantaged, Free/Reduced Lunch, Gifted and Talented, Hispanic or Latino, Improvement from 10th to 12th Grade, Improvement from 8th to 10th Grade, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander and Top 75% students will demonstrate a proficiency equivalent to one year's growth in Reading by 06/01/2018 as measured by the state and district assessment tools and or IEP goals with consideration to amount of access to instruction..

Strategy 1:

Strategy 1 - Active reading with collegial support and use of technology - Teacher will explicitly teach active reading and utilize technology to support students' reading.

-Teaching Children to Read, 2002 Research and Policy, International Reading Association, Vocabulary, Instructional Rounds
instruction leads to gains in comprehension. Pre-teaching of vocabulary words and repeated exposure in different contexts were found to improve vocabulary, comprehension and the ability to write.

National Reading Panel US Department of Education (2001)-Research on Reading Comprehension tells us that readers who comprehend well are also good decoders; teach decoding and word recognition strategies, time spent reading and writing is highly correlated with comprehension, provide for a lot of in-class reading and process writing, outside of class reading, independent reading; encourage students to read more and read widely-develop a passion for reading; and students need to be specifically taught how to write within a process

School Improvement Plan

Wyoming Regional Center

Measurable Objective 1:

50% of Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth grade Black or African-American, Asian, Bottom 25%, Bottom 30%, White, Economically Disadvantaged, Free/Reduced Lunch, Gifted and Talented, Hispanic or Latino, Improvement from 10th to 12th Grade, Improvement from 8th to 10th Grade, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander and Top 75% students will demonstrate a proficiency increase of one grade level in Mathematics by 06/01/2018 as measured by the state and district assessment tools and or IEP goals with consideration to amount of access to instruction..

Strategy 1:

Strategy 1 - Computation and Fluency - Teachers will implement math interventions at a minimum of twice per week, focusing on algebraic operations, number sense, fact fluency, reasoning/problem solving, fractions, geometry, and measurement.

Accommodations will be made for each student based on IEP as necessary.

Goal 3: All students at WRC will become proficient in reading comprehension & vocabulary in science content.

Measurable Objective 1:

50% of Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth grade Black or African-American, Asian, Bottom 25%, Bottom 30%, White, Economically Disadvantaged, Free/Reduced Lunch, Gifted and Talented, Hispanic or Latino, Improvement from 10th to 12th Grade, Improvement from 8th to 10th Grade, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander and Top 75% students will demonstrate a proficiency equivalent to one year's growth in Science by 06/01/2018 as measured by the state and district assessment tools and or IEP goals with consideration to amount of access to instruction..

Strategy 1:

Strategy 1 - Integration and multiple formats - Science content will be integrated into reading (see reading strategy) and into our media and technology classes. Science concepts will be presented to students using a variety of formats and sources and students will need to draw information from more than one source at a time. Thinking Maps will be utilized to help students better comprehend the content. Students will then be asked to demonstrate their understanding in multiple formats. This strategy supports our EL students.

Goal 4: All students at WRC will become proficient in reading comprehension & vocabulary in social studies content.

Measurable Objective 1:

A 50% increase of Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth grade Black or African-American, Asian, Bottom 25%, Bottom 30%, White, Economically Disadvantaged, Free/Reduced Lunch, Gifted and Talented, Hispanic or Latino, Improvement from 10th to 12th Grade, Improvement from 8th to 10th Grade, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander and Top 75% students will demonstrate a proficiency equivalent to one year's growth in Social Studies by 06/01/2018 as measured by the state and district assessment tools and or IEP goals with consideration to amount of access to instruction..

Strategy 1:

Strategy 1 - Instructional Practices - Implement a quarterly curriculum map per standard per grade level. As a cross-curricular connection, utilize at least one Thinking Map with

writing in each of the five strands of Social Studies (Geography, Civics, Economics, History, and Society). Based on data review, necessary accommodations will be made for our English Learners and African-American students.
