Please note:

- (1) The SRI test is only administered in the fall and spring at 2nd - 4th grades.
- (2) The SRI scores will not be reported on report cards.
- (3) Please note that the F & P testing window is 3-4 weeks. This will allow for a window of time to complete the testing rather than a single week. The Fountas and Pinnell assessment should be occurring more frequently than once per marking period as it is a formative assessment to guide instruction.
