Schools of Choice Policies & Regulations

- One application per student, per year may be submitted to one school district. You may indicate a second choice and third choice on your application. (If you apply to more than one district you may be disqualified for all districts that year.)
- If more applications are received in a district than openings are available, a random lottery drawing will be held for all applications received before the deadline. If your application is not selected by your first-choice district, it will be automatically forwarded to your second- and/or third-choice districts.
- Schools of Choice may impact an athlete's eligibility. For more information, please contact the Michigan High School Athletics Association (MHSAA).
- Accepted students must agree to comply with the choice districts' policies.
- Transportation is NOT provided for Schools of Choice students. Parents must provide their own transportation to and from school for children accepted for enrollment through the Kent ISD Collaborative Schools of Choice Plan.
- After you are accepted, you will be allowed continuous enrollment in that district until graduation, until you withdraw from that district, or until you reside outside of Kent ISD, at which time you may return to your resident district.
- Waiting lists will be created at choice districts after the lottery/random draw, and parents will be notified if spaces become available.
- Siblings of students currently attending under the Schools of Choice Program will be assigned to open spots before a random draw begins. Students who reside in the same household as students enrolled in the immediately preceding school year, semester or trimester will be considered "siblings" for the purpose of Schools of Choice.
- The only limit on movement between school districts for an applicant to the Kent ISD Collaborative Schools of Choice Plan is the space available in the desired district and/or the Choice student's suspension or expulsion record.

Please be advised that the Schools of Choice eligibility rules are governed by the Michigan Compiled Laws under MCL 380.1401, 388.1606, 388.1705, 388.1705c and 388.1707.
