The Board reviewed and approved a resolution authorizing the sale of \$25M in bonds related to the passing of our November of 2017 bond resolution. These funds will be used to finish the remaining work at the high school and start work at Parkview. The bonds will go to market for sale on September 17, 2020.

Wyoming Intermediate
Administrative Team:

Superintendent Hoekstra informed the Board that Kirk Bloomquist and Mike Sturm will be returning to Wyoming Intermediate School as co-principals for the 2020-2021 school year. This decision was based on a number of factors, including WPS' unwavering commitment to support our students, staff and learning community at a high level, having two committed administrators still passionate about their work, and navigating these unique times with individuals who are familiar with, and love, our community.

In their co-principal model, Kirk and Mike will alternate days at WIS. Dr. Slinger will be available to support administration and perform her duties as Director of Teaching and Learning, while working out of WIS as well.
