Complaint Procedures for Non-Discrimination

If a parent or student has a complaint about any aspect of EL services, the parent should speak with their child's classroom teacher, an EL teacher in the building or directly with the building principal.

Any person who believes that s/he has been discriminated against or denied equal opportunity or access to programs or services may file a complaint, which may be referred to as a grievance, with the District's Civil Rights Coordinator. Sarah Earnest, Assistant Superintendent for Employee Relations, Wyoming Public Schools, 3575 Gladiola Avenue SW, Wyoming, Michigan 49519. A person who believes s/he has a valid basis for a complaint, may discuss the matter informally and on an oral basis with the District's Civil Rights Coordinator, who will investigate the complaint and reply with an answer to the complainant.
