A Message from our Superintendent

Dear Families and Community of Wyoming Public Schools,

We are excited to be preparing for a new, and much anticipated, year. As Michigan and the rest of the nation have reopened, I hope that you have been making memories with loved ones and participating in activities that you enjoy, both of which were missed dearly over the last 15 months.

I am so proud of our strong learning community! When I reflect on the 2020-2021 school year, it is with gratitude to our staff, students, and families who went above and beyond to create and maintain a safe and healthy environment while upholding a commitment to academic achievement. We faced challenges, overcame obstacles, and learned things that have made us stronger as individuals, and as a district.

In preparation for our return to school this fall, we have been busy with academic planning, finishing previous construction projects and making progress on current ones, and assessing current and future health and safety needs.

As we look forward to returning to school in August, the following changes will be in place for all students, staff, and families. These changes will remain in place unless, or until, we are directed by the MDHHS, KCHD, or CDC to modify or change them.

Face Coverings
• The use of a face covering to prevent the potential spread of the virus is no longer required when students and staff are on campus or on a school bus.
• The decision to wear a face-covering will be left to families to make based on what they believe is best for their child(ren) and family.

Covid-19 Vaccination
• We will not require students or staff to show proof of COVID-19 vaccination as a condition of attendance.
• Vaccinated students will not be separated from unvaccinated students.
• The decision to receive a Covid-19 vaccine will be left to families to make based on what they believe is best for their child(ren) and family.
• The COVID-19 vaccine is not listed on the School Required Vaccination List. For more information, please see: School Required Vaccines for Parents by MDHHS, www.michigan.gov/documents/mdhhs/School_Req_for_Parents_553547_7.pdf

Gathering Limits
• As of June 22, 2021, MDHHS has discontinued all gathering limits for residential and non-residential settings.
• Students/staff will no longer be required to remain in cohorts.

Contact Tracing
• When there is a positive or probable case within a classroom, an exposure letter will be sent home to parent(s), just as we do with other

(Continued on page 2)
infectious diseases such as chickenpox.

- Schools are required to report communicable diseases to their local health department within 24 hours. Positive or probable COVID-19 cases will be reported to the Kent County Health Department following our Communicable Disease Board Policy 8450 and Michigan Law Act No. 368 of the Public Acts of 1978. For a complete list of reportable diseases, please see the following document: 2021 Reportable Diseases, www.michigan.gov/documents/mdch/Reportable_Diseases_Michigan_by_Condition_478488_7.pdf.

Quarantine and Isolation

- All quarantine and isolation information and requirements will continue to be issued by the student’s resident health department.

Protocol for Athletes

- At this time, we are not aware of plans to require testing for the upcoming school year.

Should the district receive any public health orders from the Centers for Disease Control (CDC), Michigan Department of Health and Human Services (MDHHS), or Kent County Health Department (KCHD), adjustments may be necessary. Athletics will adhere to rules set forth by MDHHS and the Michigan High School Athletic Association (MHSAA).

Working together over the past two school years as a strong learning community, we have been able to embrace learning opportunities, and have so many reasons to be thankful amidst the interruptions, challenges, and frustration. Extending care, support, and grace to others, as well as ourselves, has made a positive impact on all of us, and reminded us of what is truly important. I look forward to our return, and to a successful 2021-2022 school year.

Go Wolves!

Mr. Craig Hoekstra
Superintendent

We Have Great Meal Program News!

We are pleased to inform you that Wyoming Public Schools will be participating in the Community Eligibility Provision (CEP) as part of the National School Lunch and School Breakfast Programs for the School Year 2021-2022.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at NO CHARGE to your household each day.

In place of the Free and Reduced-Price Meal Application we still need your household to fill out and sign the Household Information Report. This report is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:
- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

We are asking that you please complete and submit it as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the report submitted is confidential. Without your assistance in completing and returning the attached report, our school cannot maximize the use of available State and Federal funds.

If you have any questions or if we can be of any further assistance, please contact WPS Food Service at (616) 530-7522.

Food service begins on the first day of school, Tuesday, August 24, 2021

One carton of milk is included with each meal and a la carte milk is available for $.50 each. Additional a la carte menu items are also available for charge. Complete meal pricing is available in the cafeterias and on menus.

A la carte items can be purchased through the WPS online system. The online system also allows you to make deposits, check balances and review meal histories from any computer with internet access.

Lunch menus will be available at the Wyoming Public Schools web site under “Resources” and “Lunch & Breakfast” in mid August. They will also be sent home with elementary students and be available for all secondary students in the school office. Menus are also available online at wyoming.nutrislice.com

Please feel free to contact the Food Service Office at 530-7522 if you have any questions.

BUS ROUTES AND STOPS

Safety is the most important factor in transporting WPS students. The following information is offered to help make transportation safe and successful.

1. Bus stops and routes are established on the basis of safety, efficiency, the age of students, and in accordance with the State laws, recommendations, and School Board policy. Bus stop locations must avoid as much traffic as possible. Stops shall not be on a hill or before or after a curve. Buses shall be visible in both directions when stopped.

2. It is each parent’s responsibility to get her/his student to and from the school bus stop safely.

3. Bus stops shall not be located on cul-de-sac streets. The Michigan Department of Education recommends that backing of a school bus shall be avoided whenever possible.

4. Students should arrive at the bus stop and be lined up ready to be loaded on the bus five minutes prior to the scheduled arrival of the bus. This will allow time to catch the bus but not enough time for problems to arise among students. Bus departure times are subject to change. PARENTS/GUARDIANS ARE RESPONSIBLE FOR THEIR STUDENTS UNTIL THE BUS ARRIVES.

5. By state law, students MUST cross in front of the school bus. They will receive instruction on proper crossing procedures from bus drivers. PARENTS/GUARDIANS WHO MEET STUDENTS AT THE STOP SHOULD SET THE EXAMPLE AND ALSO FOLLOW THIS IMPORTANT SAFETY RULE.

WALK AND RIDE POLICY

Students may find it necessary to walk some distance to their designated bus stops or to school. In compliance with state laws, Wyoming Public Schools walk/ride policy is:

- Elementary School students, grades K-4, may be expected to walk up to 1/2 mile to school or up to 1/2 mile to a bus stop.
- Intermediate School grades 5-6 may be expected to walk up to 3/4 mile to school or up to 3/4 mile to a bus stop.
- Junior and Senior High School students, grades 7-12, may be expected to walk up to 1 mile to school or up to 1 mile to a bus stop.

Upon request by a parent/guardian, the district may approve transportation for an individual student regardless of residential distance from the school if a travel route is judged to be hazardous, as deemed by the district or if other extenuating circumstances exist.

NOTE: Once a student boards a bus, they must remain on that bus until they reach their final destination.

For Questions Contact the Transportation Office 2181 Prairie Parkway 616-530-7545

Bus run schedules will be available at the August registrations at each school. Schedules will also be posted on Wyoming Public School’s website (www.wyomingps.org) after August 1.

www.wyomingps.org WYOMING PUBLIC SCHOOLS...BETTER TOGETHER
CROSSING PROCEDURE

Please review these important safety procedures with all of your children. Parents who escort their children to and from the bus must set the example for their children and also adhere to these important safety procedures when crossing. Everyone needs to know that not all cars stop as required by state law, even when the red lights are flashing on school buses.

When crossing the street to board the bus:
1. Students wait in a group at the designated bus stop at least 10 feet away from the edge of the roadway and look to the bus driver for the signal to cross.
2. Bus drivers will display a sign to indicate when it is safe to cross the street. If it is dark, drivers may turn on an inside light to be seen more easily.
3. Students proceed directly across the road, always staying well in front of the bus, and board the bus.
4. Do not stop in the middle of the street or cross behind the bus.

When crossing the street after leaving the bus:
1. Students will exit the bus and take 10 steps straight out from the side.
2. Students stand in a group and look to the bus driver for the signal to cross.
3. Bus drivers will display a sign to indicate when it is safe to cross the street. If it is dark, drivers may turn on an inside light to be seen more easily. Red means “STOP” DO NOT CROSS STREET and Green means “GO” IT IS SAFE TO CROSS THE STREET.
4. Students proceed to a point even with the left side of the bus and stop.
5. Students look left and right for passing cars.
6. Students look to the driver for instruction to complete the crossing.
7. Do not cross behind the bus.
8. If a paper or article goes under the school bus, always ask the bus driver for help.
9. Do not get mail from roadside mailboxes until after the bus leaves the stop.
10. At all times stay out of the “BUS DANGER ZONE”.

School Buses are Like Traffic Signals

When overhead lights are flashing yellow: Prepare to Stop
When overhead lights are flashing red: Stop!
When hazard warning lights are flashing: Proceed with Caution
**SENDING MEDS TO SCHOOL**

If a student is required to take prescription medication during the school hours, and a parent or guardian of this student cannot be at school to administer the medication, the school principal and the principal's designee(s) will administer the medication according to the physician's instructions on the label and on the medical request form (provided to you by the school). The exact dosage and frequency of use must be clearly indicated on the prescription label and request form, or on written instructions signed by a physician.

In a situation that threatens the life or health of the pupil, the requirement for two adults to be present when administering medication will not apply.

Medications should be brought to the school by a parent or guardian in a clear zip-lock bag clearly marked with the student’s name, along with instructions (on the medication request form), signed by a parent or guardian and student’s physician. **Do not send medications to school with your student.**

Please also remember to stop in the school office at the end of the school year to pick up any remaining medications.

---

**IMMUNIZATIONS**

All schools in Michigan are required to report the immunization status of all children entering kindergarten, all seventh grade students, and all children changing school districts. This is to assure that children are adequately immunized against preventable diseases before they reach adolescence, when some of these diseases become a great threat to their health.

If your child needs immunizations, please try to have these completed during the remainder of the summer. Please be advised that any student who has not had all of his/her immunizations will not be allowed to start school in August.

If you have any questions, please call Lisette Perez at the Wyoming Public Schools Administration Building at 530-7550.
Strive™ for Less Than

Make every day count!

- Be on time, every time
- Set appointments before or after school
- Plan vacations when school is out
- Build backup plans or a buddy system to get students to and from school

Give a High 5 for higher success!

Did you know...

1. Missing more than 5 days in Kindergarten makes learning to read harder
2. Missing more than 5 days any year hurts learning and lowers test scores
3. Students who miss more than 10% of school a year (just 2 days a month) are more likely to drop out
4. Being late to school or leaving early leads to poor overall attendance
5. Absences affect everyone when teachers have to help students catch up

Being in school all day every day gives students a greater shot at success. Every day, every hour in class is a learning opportunity. Students who are absent, arrive late or leave early get less learning time than students with better attendance. That’s why every student and every parent should Strive for Less Than 5 absences each school year.

#StriveForLessThan5

The Kent Intermediate Superintendents Association (KSA) has adopted the Strive for Less Than 5 campaign as an ISD-wide initiative because regular attendance is critical to student success.

Thanks to Pageworks for sponsoring the printing of this flyer and sharing these important messages with our community.

“Strive for Less Than 5” used with permission of Believe 2 Become.
TEAM 21 is a free after-school program offered through Wyoming Public Schools and the City of Wyoming Parks and Recreation department. The program operates Monday – Thursday and provides homework help, enrichment and recreation activities, field trips and other engaging experiences. Dinner is served each day for all students and transportation is available to those students who qualify for bussing.

All students are welcome to apply and applicants will be notified of acceptance or waitlist placement prior to the start of the program. Applications are available at the administration office, participating schools' offices and online at www.wyomingmi.gov/team21.

The TEAM 21 programs are made possible through a partnership between the Wyoming Public Schools, the City of Wyoming Parks & Recreation Department, Godfrey-Lee Public Schools and Godwin Heights Public Schools. These programs are funded with 21st CCLC funds through grants awarded by the Michigan Department of Education.

**DIRECTORY INFORMATION/PERSONAL IDENTIFIABLE INFORMATION**

“Personal identifiable information” about current students of the district will not be released without the consent of the student’s parent(s), or the student if the student is 18 years or older, unless the information or the law permits disclosure without consent.

“Directory Information” means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to the following areas: name, address, telephone listing, date and place of birth, grade, participation in school activities and sports, weight and height of members of athletic teams, dates of attendance, honors and awards received, student picture, and the most recent educational institution attended.

A parent or eligible student has the right to refuse the designation of all or part of a student’s personal identifiable information as directory information, except that directory information may be disclosed to government or other educational institutions as permitted by law.

Directory information may be disclosed without further notice or consent, unless the parent, or eligible student, refuses release of information by providing written notification to the Superintendent or Board of Education within thirty days of the date of the student’s registration.
Wyoming Public Schools has adopted an Integrated Pest Management program. Inherent with this are the District’s efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, this program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

As required by Michigan law, you will receive advanced notice of non-emergency application of a pesticide (insecticide, fungicide, or herbicide), other than bait or gel formulation, which is made to the school, school grounds, or buildings. This advance notice of a pesticide application will be given 48 hours before the application by the following two methods:

1) Posting at the primary entrances to your child’s school. The entrances that will be posted are the main entrance and those that have a sidewalk that leads directly to a parking lot.
2) Posting in the common area located by the main office of the school.

Please note that notification is not given for use of sanitizers, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be promptly notified following any such application, via the two posting methods identified (above).

You may review the school’s Integrated Pest Management program and records of any pesticide application upon request by contacting Matt Walker, WPS Director of Operations, at (616) 530-7570 or walkerm@wyomingps.org.

Parents or guardians of children attending the school are also entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the application, if they so request. If you would like to be notified by mail please contact the WPS Operations Department at (616) 530-7570. Please provide the Department with your name, mailing address and what school(s) your child or children attend and your name will be placed on the advance notification by US Mail list.

CLOSINGS & SEVERE WEATHER PROCEDURES

During school hours, the Superintendent’s office continuously monitors the weather and alerts each school in the event of approaching severe weather.

Announcements will be made on local radio and television stations regarding school cancellations prior to the start of the school day. There will also be a Robo Call made to all families and a notice on the district website under School Closings. Please make sure the school has your current phone number.

If students are in school when a tornado watch (meaning the possibility of a tornado exists) or thunderstorm warning is issued, students will remain in session until the regular dismissal time. If students are in school when a tornado warning is issued, students will remain in school, taking shelter in designated areas.

Parents, legal guardians, or predetermined individuals may pick up students at school during any severe weather warning. Please do not call school during severe weather warnings unless you have a particularly serious problem. It is important that school lines remain open.

The parents of the WHS Class of 2022 have started planning for the Senior All-Night Party (SANP) which will take place immediately following graduation on May 24th, 2022.

Parents, if you would like to get involved and help make sure our kids have memorable SANP please plan on attending our meetings which will be held the first Tuesday of every month at 6pm at Wyoming High School. We encourage and welcome everyone to attend. There will be many opportunities to volunteer throughout the school year and we need help from everyone to make a memorable event.

Our first big fundraiser of the year is our golf tournament which will be held Saturday, September 25th, 2021 at Maple Hill Golf Course. This will be an amazing event! Proceeds from this event will be put toward the SNAP. If you would like to get a team together, volunteer, sponsor a hole or donate prizes please contact Brian Jirous at Briandjirous@yahoo.com.

Join our official Facebook group Wyoming Wolves 2022 “SANP” to stay informed and to sign up for volunteer opportunities.

BOND CONSTRUCTION UPDATE

WPS staff and students remain extremely grateful for the community’s support of the November 2017 bond proposal. The district is approximately 29 months into a 66-month construction process that will greatly transform all district facilities.

Through the 2020/21 school year, all work has been concentrated at Wyoming High School. Due to the scope and scale of these projects and limitations on how much construction can be completed in a period of time, the district can only work on a limited number of sites each year, focusing the majority of work during summer break periods to limit instructional disruptions.

Back in 2017 when funding for the construction program was approved, the district made the decision to focus first on the high school site (by far the largest project). This was largely to ensure that as many students as possible that were WPS students in 2017 would experience the positive impact of the changes before graduation (as well as to allow the 9th grade to transition to the high school building as soon as possible).

Unfortunately, due to the impact of COVID, the community has yet to see the remarkable changes completed at Wyoming High School. We hope to remedy that this fall with an open house event. (Expect more details in a future edition of the Insight newsletter.) Until then, please enjoy some photographs of the work completed to date. Progress pictures from work at Oriole Park and Parkview being completed currently are also included.

The schedule for future work looks like this:
- Summer 2021 - Oriole Park, Parkview and the final phase of High School
- Summer 2022 - Gladiola, West, Huntington Woods
- Summer 2023 - Intermediate, Junior High and Regional Center
- Summer 2024 - Central Services and Transportation

If you have any questions regarding work completed to date or future plans, please feel free to contact Matt Lewis at lewism@wyomingps.org.

Kindergarten Smart Start is a time for a parent/guardian to join their child to learn what a day in the life of a kindergarten student looks like!

You and your child will be picked up at your bus stop*, ride the bus to school, meet their teacher, and spend time learning about kindergarten. Your child will begin to learn what the school and classroom procedures are, as well as practice the breakfast and lunch procedures. At the end of the morning, you and your child will board the bus to go home.**

*Please call WPS Transportation at 530-7545 for bus stop locations and pick up time.

**Please note that a parent or guardian must attend Smart Start with their child.

We hope you are able to join us August 20!

If you have additional questions, please contact the building principal.
