February 15, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Wyoming Public School District and our schools. The AER addresses the complex reporting information required by federal and state laws. Our staff is available to help you understand this information. Please contact Dr. Jennifer Slanger, Director of Elementary Teaching & Learning, for help if you need assistance.

The district AER is available for you to review electronically by visiting the following website <https://bit.ly/3idkvHd> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

I am very proud of our entire school community. Our scholars continue to advance their skills because our hard-working, dedicated WPS staff employs best practices in their instructional delivery. Our staff prioritizes supporting students' social and emotional well-being to ensure they are ready to engage in grade-level content and learning standards. This emphasis on scholars' mental health has and will continue to drive our focused work while meeting the individual needs of our learners.

I want to thank our parents for our strong home-to-school partnership. These efforts have a tremendous impact on our scholars' successes, as well as maximizing each and every school day so that positive gains are made.

Thank you for ensuring your child has excellent attendance, monitoring the completion of school work, and keeping in contact with your child(ren)'s teacher/school as questions and concerns arise. We thank you for being part of our team, district, and community.

If you have any questions or feedback you would like to share, please feel free to contact me at (616) 531-9313.

Sincerely,
